I beg leave to bring the following representation to your kind notice for favourable consideration. The Victoria Hospital, Bangalore has been recognised throughout India as an efficient place of medical relief. The benign Government of His Highness the Maharaja whose solicitude for the welfare of the people is well known, have well equipped every department of the hospital with the most uptodate appliances and medicines. The Radiological section of the Hospital in particular has been doing great service to the people in alleviating their sufferings but this useful work has been, to a great extent, handicapped by the insufficient accomodation for the hundreds of patients coming there for treatment. The utility of the department of Radiology and Electro-Therapy whose potentialities of human service are still unexplored, can be enhanced if increased accomodation is provided.

Sir,

I have the honour to state that Mr. B.M. Sreenivasiah, Proprietor of the Hindu Soap Factory, Bangalore, has forwarded to me a copy of the letter dated the 30th instant, expressing his willingness to construct a building at a cost of Rs. 20,000/- for the department of Radiology and Electro-therapy in the Victoria Hospital, Bangalore.

I recommend that the offer may be kindly accepted, as a separate department of Radiology and Electro-therapy is a very great desideratum, and would be a useful provision for the Institution.

If this offer is accepted, instructions may kindly be issued to the Department of Public Works, for the preparation of the necessary plans and estimates in consultation with this Department.
